Sacred Heart Academy
Belmont, N.C.

Dear Mary Lois,

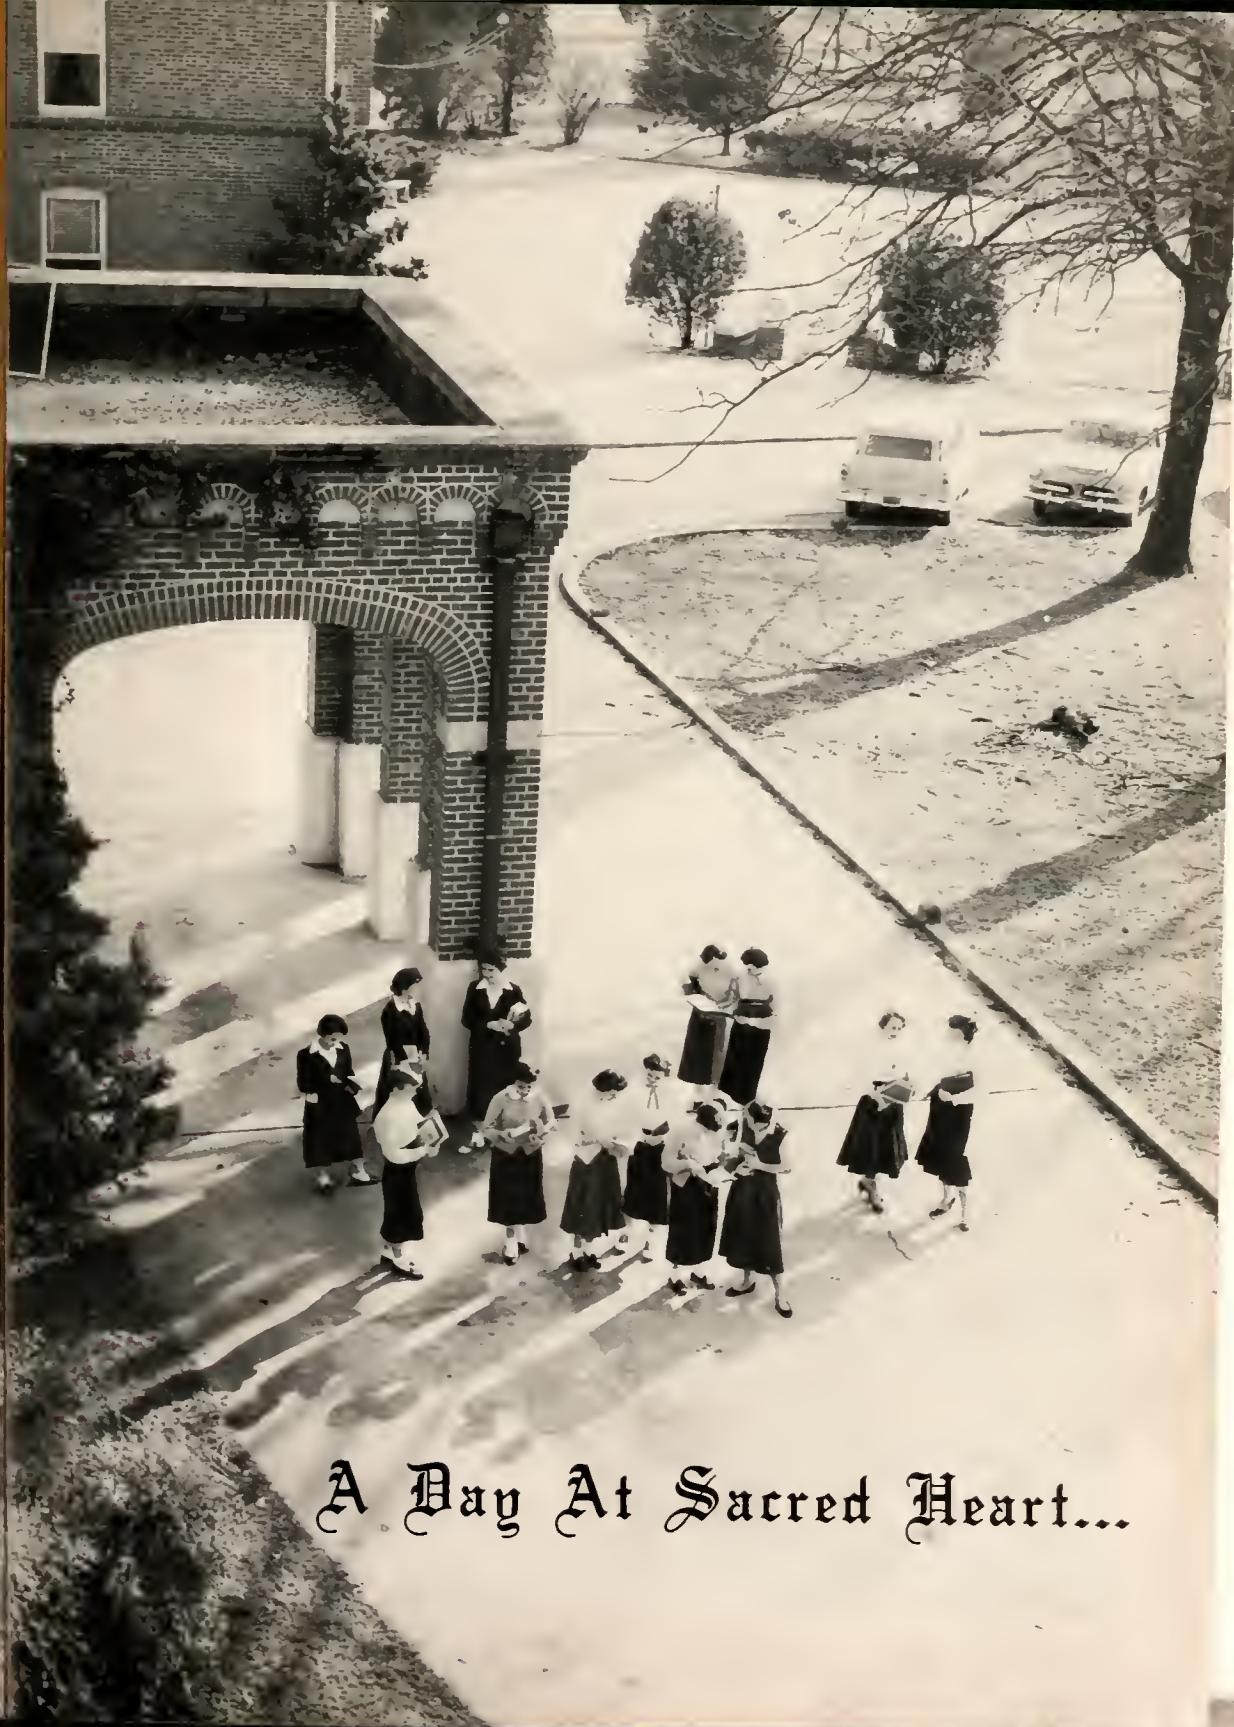

I sure did miss going to school with you this year and I wish you hadn't left O'Dia in its last year but I know you loved it out at Sacred Heart.

I am looking forward to this summer with you. I know we will have a lot of fun. It's too bad I couldn't go to Bermuda with you but you will enjoy it better on your honeymoon. (ha)

Remember all the good times we have had. I hope we will have more in the future.

It seems like the years have just flown by since we were Freshmen in High School and now we are alumni.

I know you will be happy in the future for you are the sweetest and nicest girl I know and a wonderful friend. Love always
Martha

Dear Mary Lois,

This year has come and gone. I'm so glad that you decided to come to Sacred Heart when you did. I've really enjoyed knowing you this year and only hope our friendship doesn't end this year when we leave. I didn't know I could get to know anyone in as short of time as I got to know you. I could never begin to thank you and your wonderful parents for all the times I've spent at your home. As I look back now, going to your house on week-ends, etc. saved my mother & father many phone calls. This may all sound silly but I mean it. I have often been very homesick and your mother & father have made me feel right at home. Getting back to you "dare," whenever you make up your feeble mind as to what you're going to do next year, I want to wish you the best of luck and happiness in the world.

Lots of love, Nancy

Dear "Maria Luisa,"

5/29/55
Sunday etc

Does that remind you of anything? Gracious there's so much to say, but yet I hardly know where everything begins. I want you to know how much I have really enjoyed your company & friendship this short year - I hope it⁽ⁿ⁾ doesn't end with graduation. Thank you so much for everything. Mary Lois - the trip to Asheville, the snack etc. (can any of us ever forget these?) & for getting to know your wonderful parents - you're a very lucky girl to have such a family. Remember "Comrade #1" these last 2 or three weeks of school - the banquet, the picnics & especially the square dance. That was something wasn't it? Our 2nd & 3rd period afternoon classes - Geometry & English - are unforgettable but I guess we made it, huh. Mary Lois, I wish you the best!! That new college you decide on for next year - it's to "it" & you! Stay just as you are & please remember,
Linda
